Company Profile

MyhouseIdea is a premier building construction and interior design firm dedicated to transforming architectural dreams into reality. With over a decade of expertise and an exceptional track record, we are a trusted name in the building and construction industry in Nigeria and project management. Our services encompass the entire cycle of a building project, from initial groundwork to the final finishing touches. Our team ensures a meticulous and unparalleled approach to every project, whether residential homes, corporate offices, hotels, estates, schools, or hospitals.

Vision and Mission

At MyhouseIdea, our mission is to build, recreate, refurbish, and add value to structures, transforming dreams into exceptional realities with diligence and precision. By sourcing quality materials at pocket-friendly rates and proactively eliminating delays, we set new standards in project execution. More than just building, we create timeless structures that add value and exceed client expectations, fostering a culture where excellence meets efficiency.

Our vision is to lead a transformative future in construction and interior design, becoming a beacon of excellence through creativity, precision, and punctuality. We aim to redefine industry standards and revolutionise client experiences with professionalism and craftsmanship. Beyond creating exceptional structures, we strive to enrich communities with modernised buildings, create jobs and learning opportunities, and contribute to economic growth.

MyhouseIdea

“At MyhouseIdea, we don’t just build—we transform perceptions by delighting clients with exceptional homes and services. We foster a culture where excellence meets efficiency, and our structures are timeless, adding deserved value to every project.”

Our Message

At Myhouseidea, our message is transformation—taking dreams and turning them into timeless, functional realities that inspire and endure. We champion the values of creativity, precision, timeliness, and excellence in everything, from delivering bespoke building and interior solutions to modernising communities with structures that stand the test of time.

Our message is centred on a commitment to reliability, affordability, and client satisfaction. We ensure every project we undertake is a masterpiece of quality and care.

Our Objective

Deliver Exceptional Building and Interior Design Services

Myhouseidea is committed to creating spaces that inspire and combine creativity, precision, and unmatched craftsmanship. We view every project, whether a residential home, commercial space, or public infrastructure, as an opportunity to blend functionality with aesthetic excellence. We ensure that every structure we build reflects our clients' visions and is a testament to our expertise.

Transform Client Visions into Timeless Structures

Every client has a unique vision for their project, and our objective is to bring those dreams to life in a way that exceeds expectations and provide Professional guidance toward projects. Myhouseidea specialises in designing and constructing structures that are functional and timeless in their appeal.

Transform Client Visions into Timeless Structures

MyhouseIdea understands the importance of balancing quality with affordability. We prioritise sourcing high-quality materials at cost-effective rates, ensuring clients receive the best value for their investment. This approach allows us to effectively maximise resources without compromising our projects' structural integrity or aesthetic appeal.

Foster a Culture of Excellence

Our commitment to excellence extends beyond construction. MyhouseIdea offers professional consultations, guiding clients through every stage of their project—from planning and design to execution and finishing. By fostering a culture of excellence, we provide personalised solutions tailored to each client's needs, ensuring satisfaction and long-term partnerships.

“At MyhouseIdea, our objective is to deliver exceptional building and interior design services that blend creativity, precision, and unmatched craftsmanship.

We transform client visions into timeless structures by prioritizing high-quality, cost-effective materials and fostering a culture of excellence.”

Our Values

Overview

In the competitive world of building, construction, and interior design, the foundation of a successful business lies not only in expertise and craftsmanship but also in the values that guide its operations. As a company committed to excellence, we understand that our reputation is built upon the principles we uphold and the relationships we foster.

Our values are the cornerstone of our business, shaping every decision and project we execute. With an unwavering focus on delivering exceptional results, we work closely with clients to bring their visions to life while maintaining transparency and open communication. Whether through cutting-edge design, sustainable building practices, or empowering local communities, we prioritise the long-term impact of our work, both in terms of the structures we create and the relationships we build.

The principles we adopt are not just about delivering quality projects; they are about building trust, fostering innovation, and contributing to the growth of our industry and the communities we touch. By embracing these core values, we aim to position our company as a leader in the field, recognised for our integrity, professionalism, and positive influence. We invite you to join us on this journey, where every project is an opportunity to make a lasting difference.

Uncompromising Quality

We commit to delivering exceptional quality in every project, product, and service we provide. Using only the finest materials, advanced technologies, and skilled craftsmanship, we ensure that our work stands the test of time and exceeds industry standards.

Client-Centric Approach

Our clients are at the heart of everything we do. We take the time to understand their unique visions, preferences, and budgets, tailoring our services to meet their needs. Building trust and fostering long-term client relationships is paramount to our success.

Innovation and Sustainability

We embrace innovation to create modern, functional, and aesthetically pleasing solutions while incorporating sustainable practices. From using eco-friendly materials to integrating energy-efficient designs, we prioritise protecting the environment and promoting green building solutions.

Integrity and Transparency

We operate with honesty, accountability, and open communication at every stage of our projects. Whether budgeting, timelines, or material sourcing, we provide our clients full transparency, building trust and credibility in every interaction.

Excellence in Execution

We are committed to meticulous attention to detail and the timely completion of projects without compromising quality. By adhering to the highest standards of professionalism and precision, we ensure that every project reflects our dedication to excellence.

Precious M. E.

Founder and Chief Executive Officer
of Myhouseidea Interiors and Construction

Precious Moyosoluwa Ehimiaghe is the visionary Founder and Chief Executive Officer of Myhouseidea Interiors and Construction, an industry leader in building and interior design excellence. With over a decade of experience, Precious has built a strong foundation for her company, establishing a reputation for meticulous attention to detail and a commitment to delivering superior quality. Her journey began with interior decoration, where she designed over 50 diverse spaces, including personal homes, offices, and hotels across various states in Nigeria. These early successes laid the groundwork for her evolution into the full-scale construction sector.

As her expertise expanded, Precious moved into building and construction, specialising in managing projects from start to finish. Her company is now renowned for creating fully realised spaces that blend functionality with elegance, ensuring that each design is structurally sound and aesthetically pleasing. Precious has led her team with a strong focus on quality control, employing skilled professionals and utilising the best equipment to deliver top-tier results. In addition to her construction projects, Myhouseidea Interiors and Construction now boasts a showroom that showcases premium-quality furniture, lighting fixtures, wall finishes, textiles, and decorative accessories in Abuja. Every product is carefully sourced from trusted manufacturers, ensuring durability and aesthetic appeal. The team also offers personalised styling advice, helping clients select pieces that perfectly complement their design vision.

In 2024, Precious further solidified her industry leadership by becoming a licensed Fellow Member at the Chartered Institute of Project Management (CIPMN) member. This accreditation allows her to lead complex construction projects with expertise and strategic oversight. It empowers her to integrate best practices in project management while maintaining a client-focused approach that ensures successful project outcomes. Precious's dedication to innovation, quality, and growth drives Myhouseidea Interiors and Construction, leading the company toward even greater achievements in the building and construction industry.

Our Services

At Myhouseidea, we are committed to delivering comprehensive, high-quality services for every building, construction, and interior design aspect. From expert consultation to full-scale construction and bespoke interiors, we ensure every project is executed with precision, innovation, and an unwavering commitment to excellence.

Also, we believe that quality materials and tools are essential for successful projects. We source the highest-quality materials and use state-of-the-art construction and design equipment, all while adhering to industry standards. We prioritize eco-friendly solutions by integrating sustainable materials and energy-efficient technologies whenever possible.

Consultation Services

Our consultation services are designed to transform your ideas into actionable plans. We work closely with clients to understand their vision, budget, and timeline, offering expert advice on design concepts, materials, and project management strategies. Our team also assists with navigating legal and regulatory processes, ensuring all necessary permits and approvals are secured. With years of experience in the industry, we help our clients make informed decisions, avoiding costly mistakes and optimising results.

Building and Construction

We provide end-to-end building solutions that encompass everything from groundbreaking to final handover. Our construction services are backed by a meticulous process of sourcing high-quality materials, such as geopolymer concrete, sustainable timber, and advanced insulation systems. We guarantee the integrity and durability of every project we undertake by partnering with reputable suppliers. Our team employs state-of-the-art construction equipment and meets stringent safety and quality control standards. Each project stage is monitored to ensure compliance with design specifications, timelines, and client expectations.

Showroom for Interior Decoration Products
